

Etabl. Lievens-Lanckman bvba, Belgium

Lievens-Lanckman is an SME incorporated in Belgium with over 30 years experience in the distribution and sales/marketing of medical and homecare products in Europe. The company has 10 years involvement in the telecare and telehealth fields, via the organization of the annual, pan-European and international Med-e-Tel meeting (in Luxembourg) and through acting as Secretariat for the International Society for Telemedicine & eHealth (ISfTeH), an international federation of national telemedicine and eHealth associations. These activities and experiences will enable Lievens-Lanckman to provide key management and organizational support to the project and facilitate the dissemination of outcomes both during and beyond the period of the project (via conferences, media contacts, PR activities, and direct relationships with national and international stakeholders).
